REQUEST FOR BIDS AND INSTRUCTIONS TO BIDDERS

CRRA is offering for sale through an auction process the Connecticut NOx Discrete Emission Reduction Credits (“DERCs”) that it holds. These DERCs were created in calendar years 2007 and 2008 at the Mid-Connecticut Resource Recovery Facility pursuant to the provisions of the Regulations of Connecticut State Agencies (“RCSA”) Section 22a-174-38(d) and were approved by the Connecticut Department of Environmental Protection (“CTDEP”) on December 14, 2009.

Except as otherwise authorized by this Request For Bids And Instructions To Bidders, during the period while the RFB process is active (i.e., from the date CRRA issues the RFB until the date the successful bidder accepts the Notice Of Award), entities contemplating or preparing bids are prohibited from contacting CRRA staff or CRRA Board of Director members in an ex parte manner to discuss the RFB submission process. An entity's bid shall be rejected if any of the foregoing ex parte communications take place.

4. Reserved Rights

CRRA reserves the following rights at its sole and absolute discretion:

- (a) To reject any or all of the bids, or any part(s) thereof, and/or to waive any informality or informalities in any bid or the RFB process for this sale of DERCS;
- (b) To republish this RFB after having rejected any or all of the bids; and
- (c) To terminate this RFB process at any time prior to the execution of any Agreement.

5. Description of the DERCS

The DERCS that are being offered for sale were created in calendar years 2007 and 2008 at the Mid-Connecticut Resource Recovery Facility pursuant to the provisions of RCSA 22a-174-38(d) and were approved by CTDEP on December 14, 2009. These DERCS are uniquely identified as follows:

Lot A. 2008 Ozone Season DERCS (15 tons)

CT08MWC0024(DC)NOxoz(12) through CT08MWC0024(DC)NOxoz(26)

Lot B. 2007 Non-ozone Season DERCS (29 tons)

CT07MWC0022(DC)NOxnoz(1) through CT07MWC0022(DC)NOxnoz(29)

Lot C. 2008 Non-ozone Season DERCS (32 tons)

CT08MWC0024(DC)NOxnoz(1) through CT08MWC0024(DC)NOxnoz(32)

6. The Auction Process

Bidders are invited to make written offers for any quantity of the DERCS offered for sale by CRRA at the price the bidder wishes to pay. Bidders shall fill out the attached Bid Price Form (Section 4 of the RFB documents) indicating the number of DERCS being sought and the price bid on a per ton and per lot basis.

CRRA will open the sealed bids and assign the DERCS to the bidders on the basis of highest price. The bidder offering the highest price for DERCS in a given lot will be awarded the number of DERCS in that lot requested by the bidder in its Bid Price Form. If any DERCS remain in that lot after the highest priced bidder's request has been met, the bidder offering the second highest price for DERCS in that lot will be awarded the number of DERCS in that lot requested by the second highest bidder in its Bid Price Form, or as many as remain. This process will continue until all of the DERCS in each lot are awarded or there are no further bids for DERCS in that lot.

Bids for DERCS in one lot are not applicable to DERCS in another lot.

If, in the sole judgment of CRRA, a successful bidder has failed to execute the contract in good faith, then that bidder's bid will be discarded and the DERCS will be awarded to the bidder offering the next highest price. If no such bid exists, CRRA will retain ownership of those DERCS.

7. Availability of RFB Documents

Complete sets of the RFB Package Documents may be obtained on the World Wide Web beginning **Monday, May 17, 2010**:

Prospective bidders can fill the forms out by typing the answers on their computer's keyboard. The forms can then be printed and submitted with the bid. 9. Addenda And Interpretations

CRRA may issue Addenda to the RFB Package Documents that shall, upon issuance, become part of the RFB Package Documents and binding upon all potential or actual bidders for the DERCS. To be given consideration, any such written request must be received by CRRA by 3:00 p.m., Wednesday, June 2, 2010.**

Addenda, if any, will be mailed and/or e-mailed to all persons who submitted a Notice Of Interest Form (see Section 8, above) or who picked up or requested from CRRA a printed copy of the RFB Package Documents. Such addenda will also be posted on CRRA's web site (<http://www.crca.org> on the "Business Opportunities" page under the "RFB: Sale of NO_x Discrete Emission Reduction Credits" heading). Such addenda will be mailed/e-mailed and posted on the web site no later than Wednesday, June 9, 2010.

Failure of any bidder to receive any such Addenda shall not relieve such bidder from any conditions stipulated in such Addenda. Only questions answered or issues addressed by formal written Addenda will be binding. **All oral and other written responses, statements, interpretations or clarifications shall be without legal effect and shall not be binding upon CRRA.**

10. Bid Submittal Procedures

Sealed bids shall be submitted no later than 3:00 p.m., Eastern Time, Wednesday, June 16, 2010 at the offices of CRRA, 100 Constitution Plaza, 6th Floor, Hartford, Connecticut 06103-1722, Attn: Ronald Gingerich. Bids received after the time and date set forth above shall be rejected.

Each bidder must submit one (1) original and one (1) copy of its bid. The one copy may be submitted in one of three ways:

- (a) By attaching a copy of the bid in PDF format to an e-mail sent to Ronald Gingerich (rgingerich@crra.org);
- (b) By saving a copy of the bid in PDF format to a compact disc (“CD”) and including the CD with the original of the bid; or
- (c) By submitting a hard copy of the bid along with the original.

Regardless of how a bidder submits the copy of its bid, the original and the copy must be received by CRRA no later than 3:00 p.m., Eastern Time on Wednesday, June 16, 2010.

The original of the bid shall be stamped or otherwise marked as such. If the bidder elects to submit a hard copy of its bid, the copy shall be included in the sealed envelope with the original.

11. Period Bids Shall Remain Open

Bids shall remain open and subject to acceptance for ninety (90) days after the bid due date.

12. Non-Negotiability Of The Agreement

The terms and conditions of the Agreement (Section 9 of the RFB Package Documents), as attached, are non-negotiable. Any potential bidder that will be unable to execute the Agreement, as attached, should not submit a bid.

13. Bid Contents

A bid must consist of the following and must be in the following order:

- (a) The Bid Form (Section 3 of the RFB documents), with:
 - (1) Addenda, if any, listed in Section 5(a) of the Form (Page 2);
 - (2) The name and address of the contact for Notices listed in Section 14 of the Form (Page 6); and

14. Bid Opening

All bids will be opened privately at CRRA's convenience on or after the bid due date.

15. Bid Evaluation

As described in Section 5 of this Request For Bids And Instructions To Bidders, CRRA will base its evaluation of the bids on price and the availability of DERCS in any particular lot.

CRRA is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment, contracting, or business practices. CRRA is committed to complying with the Americans with Disability Act of 1990 (ADA) and does not discriminate on the basis of disability in admission to, access to, or operation of its programs, services, or activities.

16. Contract Award

If a contract(s) is to be awarded, CRRA will issue to the successful bidder(s) a Notice Of Award within ninety (90) days after the bid due date. The format of the Notice Of Award is attached as Section 8 of the RFB Package Documents.

CRRA reserves the right to correct inaccurate awards resulting from CRRA's clerical errors. This may include, in extreme circumstances, revoking a Notice Of Award already made to a bidder and subsequently awarding the Notice of Award to another bidder. Such action by CRRA shall not constitute a breach of this RFB by CRRA since the Notice Of Award to the initial bidder is deemed to be void ab initio and of no effect as if no Agreement ever existed between CRRA and the initial bidder.

17. Sales and Use Tax

Since **CRRA is exempt from state sales and use tax**, the price of any bid for the DERCS shall not include any such tax.

18. Contractor's Certification Concerning Gifts

Pursuant to *Connecticut General Statutes* Section 4-252, the apparently successful bidder must submit a document certifying that it has not given any gifts to certain individuals between the date CRRA started planning the RFB and the date the Agreement is executed. If the apparently successful bidder does not execute the Certification, it will be disqualified

for the Agreement. The dates between which the bidder may not give gifts and the identities of those to whom it may not give gifts are specified in the attachment to the Notice of Award included in the RFB Package Documents (see Attachment A to Section 8 of the RFB Package Documents).

19. Bid Preparation And Other Costs

Each bidder shall be solely responsible for all costs and expenses associated with the preparation and/or submission of its bid, or incurred in connection with any interviews and negotiations with CRRA, and CRRA shall have no responsibility or liability whatsoever for any such costs and expenses.

SEEC FORM 11

NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF CAMPAIGN CONTRIBUTION AND SOLICITATION BAN

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined on the following page):

Campaign Contribution and Solicitation Ban

No state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties--\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

SEEC FORM 11

NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF CAMPAIGN CONTRIBUTION AND SOLICITATION BAN

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined on the following page):

Campaign Contribution and Solicitation Ban

No state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties--\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

Additional information and the entire text of P.A 07-1 may be found on the website of the State Elections Enforcement Commission, www.ct.gov/seec. Click on the link to "State Contractor Contribution Ban."
