

**ADDENDUM NO. 3
Issued February 29, 2012**

TO

REQUEST FOR PROPOSALS

FOR

**REDESIGN, FABRICATION AND INSTALLATION
OF NEW ENERGY-CONSERVATION EXHIBIT
CRRA'S HARTFORD TRASH MUSEUM**

(RFP Number 12-PA-003)

Note: Entities submitting a Proposal are required to acknowledge this and all Addenda in Section 5 of the Proposal Form.

The following question was accidentally omitted from Addendum 2 and is being addressed here-in

1.	Question	Will electrical services be provided by CRRA or will this be a cost that should be included in the proposal.
	Answer	<ul style="list-style-type: none">• Proposers shall identify elements of their proposal that will require the services of a licensed electrician.• Further, proposers are encouraged to include the cost of providing those services via a licensed electrician as a subcontractor to the Proposer.• If unable to arrange for such services, Proposers must clearly indicate in their Proposal Price Form that such services are not included in their proposal.• Even if the proposer is able to provide such services as part of their proposal, CRRA reserves the right to have those services provided alternatively through a state-contracted electrician .
