

**ADDENDUM NO. 1
Issued March 28, 2007**

TO

**REQUEST FOR BIDS
FOR
PURCHASE OF A PRIMARY SHREDDER 500 HORSEPOWER
DRIVE MOTOR
FOR THE
WASTE PROCESSING FACILITY
(RFB Issued March 19, 2007)**

Note: Bidder is required to acknowledge this and all Addenda in Section 5(a) of the Bid Form.

This Addendum consists of the Connecticut Resources Recovery Authority's (CRRA) response to a written question that was received by CRRA regarding the RFB.

1.	Question	Regarding the 500 hp shredder motor, what is the torque and annortiseur rating?
	Answer	The starting torque for the 500 horsepower motor is 5005 LB FT or 225% of full load torque. Breakdown torque is 275% of full load torque.
