

# Memorandum

**To:** File  
**From:** Ron Gingerich  
**Date:** June 19, 2009  
**Re:** Landscape, Mowing And Snowplowing Work At Connecticut Resources Recovery Authority Landfills

---

On June 18, 2009, the Connecticut Resources Recovery Authority (“CRRA”) Board of Directors selected Earthcare Service to provide landscape, mowing and snowplowing work at the CRRA Hartford Landfill for the three-year period July 1, 2009 through June 30, 2012.

Since the bid prices of the preferred bidders for the other four CRRA landfills were less than \$50,000 per year, it was not necessary to seek Board approval of the preferred bidders. The preferred bidders for the other four CRRA landfills are as follows:

Landfill	Preferred Bidder
Ellington	Beebe Landscape Services, Inc.
Shelton	Earthcare Service
Wallingford	Sebben’s Lawn Service
Waterbury	Earthcare Service
