1. Introduction

The Connecticut Resources Recovery Authority ("CRRA") is a quasi-public entity of the State of Connecticut that is responsible for implementing the State Solid Waste Management Plan and is currently providing solid waste disposal and recycling services to more than 100 municipalities in the state. CRRA has developed, constructed and now operates an integrated system of two resource recovery facilities, two regional recycling centers, and four transfer stations. At present, CRRA accepts more than 60% of the municipal solid waste generated in the State. These facilities are operated by entities that are under contract with CRRA.

One of CRRA's facilities is the Mid-Connecticut Resource Recovery Facility ("RRF"), which is a waste-to-energy facility. The Mid-Connecticut RRF includes the Power Block Facility ("PBF"), which is the facility where Refuse Derived Fuel ("RDF") is combusted to

produce steam. The PBF uses three combustors, each having its own flue gas treatment equipment. Each of the three combustors is rated to consume up to 28.15 tons per hour of RDF and to produce up to 231,000 pounds per hour of steam.

The PBF is located at 1 Reserve Road, Gate 20, Hartford, Connecticut 06114. The PBF is currently operated by Covanta Energy (“Covanta”) under contract to CRRA. Effective June 1, 2012, operation of the PBF will be transferred to NAES Corporation (“NAES”) under contract to CRRA.

CRRA is seeking bids from qualified contractors to furnish all labor, incidentals and miscellaneous materials thereto to perform the 2012, 2013 and 2014 annual air emissions performance tests at the PBF.

The following are the acceptable forms of Bid Security:

- (a) A cashier's check;
- (b) A certified check; or
- (c) A bid bond in the form included in Section 3 of the RFB Package Documents.

The Bid Security shall be made payable to "Connecticut Resources Recovery Authority."

Any bid bond submitted as Bid Security shall be in the form provided for such bid bond in Section 3 of the RFB and such bid bond shall be executed and issued by a surety company acceptable to CRRA. Any bid that does not contain the above requisite Bid Security or any bid that contains Bid Security that does not comply with the foregoing requirements shall be rejected as non-responsive.

14.3 Disposition of Bid Security

The Bid Security of the successful bidder will be retained until such bidder has executed the Agreement, furnished any required contract security and satisfied all other conditions of the Notice of Award, including execution and submission of the Contractor's Certification Concerning Gifts and the Affidavit Concerning Consulting Fees, whereupon such Bid Security will be returned.

If the successful bidder fails to execute and deliver the Agreement, furnish any required performance and payment security, or satisfy all other conditions of the Notice Of Award within ten (10) days after the issuance of such Notice Of Award, CRRA may annul the Notice Of Award and the Bid Security of that bidder shall be forfeited.

The Bid Security of other bidders whom CRRA believes to have a reasonable chance of receiving the award may be retained by CRRA until the earlier of the seventh (7th) day after the Effective Date of the Agreement or ninety (90) days after the bid due date, whereupon the Bid Security furnished by such bidders will be returned. Bid Security with bids that are not competitive will be returned within seven (7) days after the opening of such bids.

15. Bid Contents

Bids shall be submitted on forms provided by CRRA as part of the RFB Package Documents, all of which forms must be completed with the appropriate information required and all blanks on such forms filled in.

A bid must consist of the following and must be in the following order:

- (d) Table of Contents of the bid (not the table of contents of the RFB);

CRRA requires that the certificate(s) submitted show evidence of exactly the insurance requirements specified in the Agreement (e.g., if Section 6.1 of the Agreement requires Business Automobile Liability insurance covering any automobile or vehicle, the certificate of insurance must have the "any" box checked)].
- (o) As Appendix A to the bid, a brief resume (i.e., no more than two pages) of each individual listed in the Personnel Background And Experience Form.

Bidders should not include in their bids other portions of the RFB Package Documents (e.g., this Instructions To Bidders or the Agreement).

A bidder may include additional information as an addendum/appendix to its bid if the bidder thinks that it will assist CRRA in evaluating the bidder's bid. A bidder should not include information that is not directly related to the subject matter of this solicitation.

16. Bid Opening

All bids will be opened at CRRA's convenience on or after the bid due date.

17. Bid Evaluation

The award of the contract for the Services will be made, if at all, to the bidder(s) whose evaluation by CRRA results in CRRA determining that such award to such bidder(s) is in the best interests of CRRA. **However, the selection of a bidder(s) and the award of such contract, while anticipated, are not guaranteed.**

CRRA is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment, contracting, or business practices. CRRA is committed to complying with the Americans with Disability Act of 1990 (ADA) and does not discriminate on the basis of disability in admission to, access to, or operation of its programs, services, or activities.

17.1 Evaluation Criteria

CRRA will base its evaluation of the bids on the following criteria:

- (a) Price;
- (b) Qualifications;
- (c) Demonstrated skill, ability and integrity of each bidder to perform the Services required by the Contract Documents;
- (d) Adequacy of insurance coverages as evidenced by a certificate or certificates of insurance showing, at a minimum, all coverages required by Section 6.1 of the Agreement (See Section 15(n) of this Instructions To Bidders); and
- (e) Any other factor or criterion that CRRA, in its sole discretion, deems or may deem relevant or pertinent for such evaluation.

17.2 Affirmative Action Evaluation Criteria

Bids will also be rated on the bidder's demonstrated commitment to affirmative action. Sections 46a-68-1 to 46a-68-17 of the *Regulations of Connecticut State Agencies* require CRRA to consider the following factors when awarding a contract that is subject to contract compliance requirements:

- (a) The bidder's success in implementing an affirmative action plan (See Question 4 of the Questionnaire Concerning Affirmative Action, Small Business Contractors And Occupational Health And Safety (Section 10 of the RFB Package Documents));
- (b) The bidder's success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the *Regulations of Connecticut State Agencies*, inclusive (See Question 5 of the Questionnaire Concerning Affirmative Action, Small Business Contractors And Occupational Health And Safety (Section 10 of the RFB Package Documents));
- (c) The bidder's promise to develop and implement a successful affirmative action plan (See Question 4B of the Questionnaire Concerning Affirmative Action, Small Business Contractors And Occupational Health And Safety (Section 10 of the RFB Package Documents));
- (d) The bidder's submission of EEO-1 data indicating that the composition of its work force is at or near parity when compared to the racial and sexual composition of the work force in the relevant labor market area (See Section 15(k) of this Instructions To Bidders); and
- (e) The bidder's promise to set aside a portion of the contract for legitimate minority business enterprises (See Section 15(b)(4) of this Instructions To Bidders).

18. Contract Award

If the contract is to be awarded, CRRA will issue to the successful bidder(s) a Notice Of Award within ninety (90) days after the bid due date.

CRRA reserves the right to correct inaccurate awards resulting from CRRA's clerical errors. This may include, in extreme circumstances, revoking a Notice Of Award already made to a bidder and subsequently awarding the Notice of Award to another bidder. Such action by CRRA shall not constitute a breach of this RFB by CRRA since the Notice Of Award to the initial bidder is deemed to be void ab initio and of no effect as if no Agreement ever existed between CRRA and the initial bidder.

19. Contractor's Certification Concerning Gifts

Pursuant to *Connecticut General Statutes* Section 4-252, the apparently successful bidder(s) must submit a document certifying that it has not given any gifts to certain individuals between the date CRRA started planning the RFB and the date the Agreement is executed. If the apparently successful bidder does not execute the Certification, such bidder will be disqualified for the Agreement. The dates between which the bidder may not give gifts and the identities of those to whom it may not give gifts are specified in the attachment to the Notice Of Award included in the RFB Package Documents (see Attachment A to Section 14 of the RFB Package Documents).

20. Affidavit Concerning Consulting Fees

Pursuant to *Connecticut General Statutes* Section 4a-81, the apparently successful bidder(s) must submit an affidavit stating that, except as specified in the affidavit, it has not entered into any contract with a consultant in connection with the RFB whereby any duties of the consultant pursuant to the contract require the consultant to pursue communications concerning the business of CRRA, whether or not direct contact with CRRA was expected or made. The affidavit is attached to the Notice Of Award included in the RFB Package Documents (see Attachment B to Section 14 of the RFB Package Documents).

21. Bidder's Qualifications

CRRA may make any investigation deemed necessary to determine the ability of any bidder to perform the Services required. Each bidder shall furnish CRRA with all such information as may be required for this purpose.

22. Bid Preparation And Other Costs

Each bidder shall be solely responsible for all costs and expenses associated with the preparation and/or submission of its bid, or incurred in connection with any interviews and negotiations with CRRA, and CRRA shall have no responsibility or liability whatsoever for any such costs and expenses.
