**CRRA reserves the right to reject any or all of the proposals, or any part(s) thereof, and/or to waive any informality or informalities in any proposal or the RFP process for this Project.**

## 16. Additional Information And Interviews

CRRA reserves the right to request additional information from proposal submitters and to request certain submitters to make oral presentations or further explanations of their proposal. It is expected that any oral presentations/interviews will be conducted Monday November 28, 2011 and Tuesday, November 29, 2011.

## 17. Proposal Evaluation

The award of the contract for the Services will be made, if at all, to the proposer(s) whose evaluation by CRRA results in CRRA determining that such award to such proposer(s) is in the best interests of CRRA. **However, the selection of a proposer(s) and the award of such contract, while anticipated, are not guaranteed.**

CRRA is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment, contracting, or business practices. CRRA is committed to complying with the Americans with Disability Act of 1990 (ADA) and does not discriminate on the basis of disability in admission to, access to, or operation of its programs, services, or activities.

### 17.1 Evaluation Criteria

CRRA will base its evaluation of proposals on the following criteria, which are not necessarily presented in order of importance:

- (a) Cost;
- (b) Proven ability of the proposer to perform the Services required by the Contract Documents;

- (c) Any other factor or criterion that CRRA, in its sole discretion, deems or may deem relevant or pertinent for such evaluation.

## **17.2 Affirmative Action Evaluation Criteria**

All proposals will also be rated on the proposer's demonstrated commitment to affirmative action. Sections 46a-68-1 to 46a-68-17 of the *Regulations of Connecticut State Agencies* require CRRA to consider the following factors when awarding a contract that is subject to contract compliance requirements:

- (a) The proposer's success in implementing an affirmative action plan (see Question 4 of the Questionnaire Concerning Affirmative Action, Small Business Contractors And Occupational Health And Safety (Section 4.7 of the RFP Package Documents));
- (b) The proposer's success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the *Regulations of Connecticut State Agencies*, inclusive (see Question 5 of the Questionnaire Concerning Affirmative Action, Small Business Contractors And Occupational Health And Safety (Section 4.7 of the RFP Package Documents));
- (c) The proposer's promise to develop and implement a successful affirmative action plan (see Question 4B of the Questionnaire Concerning Affirmative Action, Small Business Contractors And Occupational Health And Safety (Section 4.7 of RFP Package Documents));
- (d) The proposer's submission of EEO-1 data indicating that the composition of its work force is at or near parity when compared to the racial and sexual composition of the work force in the relevant labor market area (See Section 14(j) of this Instructions To Proposers); and
- (e) The proposer's promise to set aside a portion of the contract for legitimate minority business enterprises (see Section 14(b) of this Instructions To Property Appraisers).

CRRA will base its evaluation of the proposals on cost, qualifications, proven ability of proposer to perform the Services required by the Contract Documents and any other factor or criterion that CRRA, in its sole discretion, deems or may deem relevant or pertinent for such evaluation.

## **18. Contract Award**

If the contract is to be awarded, CRRA will issue to the successful proposer(s) a Notice Of Award within ninety (90) days after the proposal due date.

CRRA reserves the right to correct inaccurate awards resulting from CRRA's errors. This may include, in extreme circumstances, revoking a Notice Of Award already made to a proposer and subsequently awarding the Notice of Award to another proposer. Such action by CRRA shall not constitute a breach of this RFP by CRRA since the Notice Of Award to the initial proposer is deemed to be void ab initio and of no effect as if no Agreement ever existed between CRRA and the initial proposer.

**19. Contractor's Certification Concerning Gifts**

Pursuant to *Connecticut General Statutes* Section 4-252, the apparently successful proposer(s) must submit a document certifying that it has not given any gifts to certain individuals between the date CRRA started planning the RFP and the date the Agreement is executed. If the apparently successful proposer does not execute the Certification, it will be disqualified for the Agreement. The dates between which the proposer may not give gifts and the identities of those to whom it may not give gifts are specified in the attachment to the Notice Of Award included in the RFP Package Documents (see Attachment H of the Agreement [Section 6 of the RFP Package Documents]).

**20. Affidavit Concerning Consulting Fees**

Pursuant to *Connecticut General Statutes* Section 4a-81, the apparently successful proposal submitter(s) must submit an affidavit stating that, except as specified in the affidavit, it has not entered into any contract with a consultant in connection with the RFP whereby any duties of the consultant pursuant to the contract require the consultant to pursue communications concerning the business of CRRA, whether or not direct contract with CRRA was expected or made. The affidavit is attached to the Notice Of Award included in the RFP Package Documents (see Attachment G of the Agreement [Section 6 of the RFP Package Documents]).

**21. Proposer's Qualifications**

CRRA may make any investigation deemed necessary to determine the ability of any proposer to perform the Work required. Each proposer shall furnish CRRA with all such information as may be required for this purpose.

**22. Proposal Preparation And Other Costs**

Each proposer shall be solely responsible for all costs and expenses associated with the preparation and/or submission of its proposal, or incurred in connection with any interviews and negotiations with CRRA, and CRRA shall have no responsibility or liability whatsoever for any such costs and expenses.

ELECTRONIC RECYCLING COLLECTION SERVICES (12-OP-003)  
PRICING FORM

**1. BASE PRICING FOR COVERED ELECTRONIC DEVICES**

- (a) For all electronics that are classified as Covered Electronic Devices (CEDs) under the Connecticut E-Waste Law (Section 22a-629 through Section 22a-640 CGS), there shall be no charge by the contractor to CRRA or the municipality for the recycling of such CEDS.
- (b) Are there any items or pre-separated components (e.g. components that come in already separated from residents) that are part of a CEDs for which the Contractor will pay CRRA if they are kept segregated? If yes, please specify the item and price below (attach additional pages as needed for specific components not covered here). Please note that this is not intended to allow for or encourage the dismantling of electronic equipment at any collection site covered under this agreement. Rather it is intended to apply to source separated items brought to the collection by residents.

Item	Price Per Pound paid by vendor to CRRA
Internal DVD and CD rom drive	\$ /lb
Internal floppy disk drive	\$ /lb
Internal circuit boards or cards	\$ /lb

- (c) For a One Day Collection event, is there a minimum tonnage of electronics or minimum number of participants that an event would expect to attract, that would be required in order for the Contractor to schedule a One-Day Collection event with a municipality or region.

Yes                       No

If you answered "Yes," describe that minimum requirement for expected tonnage or minimum expected number of participants. Please also describe if you have an existing collection schedule that would change that answer (e.g. you have a set pickup schedule along the I91 corridor every Wednesday and would pick up any quantity from a municipality in that region on a Wednesday, but municipalities requiring pickups from other regions or on days other than Wednesday would have to expect to collect XX tons at a One Day event before you would agree to provide that service).

- (d) For an ongoing collection, what is the minimum tonnage or volume of electronic waste that must be collected in order to schedule a pickup of that accumulated electronic waste by the vendor. Please note that as per Exhibit A, section 1.5 of this agreement, the Contractor

must provide a pickup of all materials from each on-going drop-off collection location at least once every six (6) months.

(e) Would that minimum tonnage or volume requirement apply if there are pickups at multiple locations coordinated into a single "milk-run"?

- Yes       Yes with Qualifiers (see below)       No

If there are any qualifiers that would affect your answer regarding milk runs (e.g. yes as long as the minimum tonnage accumulated from each site was XX tons).

**2. PRICING FOR NON-CED ELECTRONICS**

- (a) In addition to the collection of CED's, it is expected that collections will draw electronics from residents. Even if a municipality does not specifically target non-CED electronics for collection, it is expected that some of these devices will be brought to the collection from resident unclear about the CED guidelines.
- (b) Please provide pricing information for the following categories of material. If more specific per-component pricing will apply, please attach a more detailed price sheet and write "see attached" in the applicable box.

**3. PRICING FOR CED-TYPE DEVICES FROM NON-RESIDENTIAL MUNICIPAL SOURCES (WHICH WOULD NOT BE CLASSIFIED AS CEDs BECAUSE THEY ARE NOT FROM RESIDENTS)**

- (a) In addition to the collection of CEDs from residents, some collection programs may want to collect these same devices from non-residential municipal sources. In that event, the devices would no longer be classified as CEDs. The contractor must keep these non-CED materials separated from CEDS and the following pricing would apply to the non-CEDs.
- (b) Please provide pricing information for the following categories of material. If more specific per-component pricing will apply, please attach a more detailed price sheet and write "see attached" in the applicable box.
