

Save the Garbage Museum!

**Environmental education is invaluable
to our children's future!**

Please Help!!

In June 2009, the Garbage Museum will lose its funding. Help by adopting a dinosaur! With your \$50 donation, your name will be etched on a recycled-glass tile and used to build our wall-sized dinosaur! The proceeds will be used to continue the Garbage Museum's wonderful environmental educational programs.

Thank you for your support!
