The Connecticut Resources Recovery Authority is a quasi-public agency whose mission is to work for – and in – the best interests of the municipalities of the state of Connecticut. CRRA’s new board of directors and new management team develop and implement environmentally sound solutions and best practices for solid waste disposal and recycling management on behalf of municipalities. CRRA serves more than 100 Connecticut cities and towns. CRRA also runs sustainability education programs through the [Trash Museum](#) in Hartford and [Garbage Museum](#) in Stratford.
